Hello Asaad and Jeff,

My name is Michael Darling and I am a writer with the Los Feliz Ledger. I'm doing a piece about the removal of the Veronica lamp sculpture at the shopping complex at the intersection of Vermont and Santa Monica and wanted to get in touch with someone at the BSL for more information. We'd love to hear about the removal process, why the lamp posts were moved and the future of lamp posts that made up the sculpture.

Please get back to me as soon as you can; thank you,

Michael
